**A Design-build Competition**

**Request for Proposals for Mailboxes at Buffalo School’s New Hayes Hall**

**Call for Proposals**

The Buffalo School of Architecture and Planning’s newly renovated Hayes Hall will be the new heart for the tradition of research through making. Our signature spaces will demonstrate this focus by presenting who we are and what we do through a series of design-build works in collaboration with industry partners. The School invites architects and designers to submit proposals for the design and fabrication of Mailboxes in the faculty lounge, in collaboration with Boston Valley Terra Cotta. The mailboxes will serve as signature elements for Hayes Hall while remaining functional and easily accessible. We welcome proposals which thoughtfully explore the function of mailboxes in the faculty lounge, using space, material, and/or process to create an identity of *making*.

**Location**

Inside the Faculty Lounge, ground floor.

## **Design Requirements**

1. 100 individual mailboxes
2. The interior clear space for each mailbox is minimum 5" height, 10" width and 12" depth
3. The base location is suggested; entrants can offer alternative locations with supporting arguments and documentation.
4. You must use terracotta as a main material (Q/A session at BVTC on Feb. x will give more detail). UB will purchase other supporting materials if necessary, as described in the winning proposal (\$1,000-2,000 max, TBD)
5. All teams are required to participate in visit to Boston Valley Terra Cotta (date TBD).
6. The final mailbox scheme will determine the room's remaining furnishings, including lounge seating and tables for informal meeting.
7. The winner must deliver the product by the date described under the schedule.
8. The winner must work with Boston Valley Terra Cotta (<http://bostonvalley.com/>) and the FFE committee of the Buffalo School of Architecture and Planning in finalizing, developing and implementing the design..
9. The competition jury and Buffalo School of Architecture and Planning reserve the right to elect not to select a winner from the entries submitted.

## **Award**

Publication and exhibition

Honorarium of \$1,000

Collaboration and technical support from Boston Valley Terra Cotta (<http://bostonvalley.com/>) for the fabrication of the mailboxes (BVTC will provide terra cotta and working space at their factory)
